PROFESSIONAL SUMMARY

Results-driven .NET Developer with 1.5+ years of hands-on experience in full-stack web development. Expert in ASP.NET MVC, C#, Entity Framework, LINQ, and SQL Server development. Proven track record in developing dynamic web applications, implementing CRUD operations, and managing live client projects. Strong expertise in front-end technologies including HTML5, CSS3, Bootstrap, JavaScript, and jQuery. Experience in database design, report generation, client communication, and project management.

CORE TECHNICAL SKILLS

Programming Languages: C#, Java, SQL, JavaScript, HTML5, CSS3

Microsoft Technologies: ASP.NET, ASP.NET MVC, .NET Framework, Entity Framework, LINQ

Web Technologies: HTML5, CSS3, JavaScript, jQuery, AJAX, Bootstrap, Responsive Design

Database Technologies: Microsoft SQL Server, T-SQL, Database Design, Data Management

Development Tools: Visual Studio, SQL Server Management Studio, Git, Version Control

Frameworks & Libraries: Entity Framework, Bootstrap, jQuery, MVC Architecture

Methodologies: CRUD Operations, MVC Pattern, Object-Oriented Programming, Agile Development

PROFESSIONAL EXPERIENCE

Software Developer

Hesten Solutions

April 2024 – Present

Nagpur, Maharashtra

- Developed and maintained multiple live client applications using ASP.NET MVC, C#, and Entity Framework
- Implemented complex CRUD operations and database management using SQL Server and LINQ
- Created dynamic web pages using HTML5, CSS3, Bootstrap, JavaScript, and jQuery
- Built comprehensive reporting systems with PDF, Excel, and Word export functionality
- Developed discount calculation modules and penalty management systems using C# algorithms
- Designed and implemented admin panels for user access control and system administration
- Managed large-scale data processing and participated in client requirement gathering meetings
- Applied advanced filtering mechanisms and search functionalities for data retrieval optimization

Software Developer Intern

Hesten Solutions

January 2024 – March 2024

Nagpur, Maharashtra

- Gained expertise in .NET technologies including ASP.NET MVC, Entity Framework, and LINQ
- Developed responsive front-end interfaces using HTML5, CSS3, Bootstrap, jQuery, and JavaScript
- Worked extensively with SQL Server for database operations, stored procedures, and data management
- Implemented CRUD operations across multiple master pages and application modules
- Independently designed and developed 4+ complete application modules from scratch
- Applied MVC architecture principles and object-oriented programming concepts

KEY PROJECTS

Dynamic User Data Management System | ASP.NET MVC, C#, Entity Framework

- Developed comprehensive web application for managing large-scale user data across Maharashtra villages
- Implemented multiple dynamic forms with client-side and server-side validation using JavaScript and C#
- Created advanced filtering systems and search functionalities using LINQ and SQL Server
- Built multi-format reporting system with PDF, Excel, and Word export capabilities
- Applied responsive design principles using Bootstrap and CSS3 for cross-device compatibility
- Technologies: ASP.NET MVC, C#, Entity Framework, LINQ, SQL Server, HTML5, CSS3, JavaScript, jQuery, Bootstrap

Builder Management Website | Full Stack Development

- Contributed to comprehensive builder website with dynamic form generation and data processing
- Implemented CRUD operations, dynamic dropdowns, and database integration using Entity Framework
- Developed arithmetic calculation modules for plot rate computation and pricing algorithms
- Participated in client meetings for requirement analysis and project planning
- Applied MVC architecture and implemented responsive UI using Bootstrap and jQuery
- Technologies: ASP.NET MVC, C#, LINQ, SQL Server, Entity Framework, HTML5, CSS3, Bootstrap, JavaScript

EDUCATION

Bachelor of Engineering in Electronics and Telecommunication <i>SB Jain Institute of Technology Management and Research, Nagpur</i>	June 2019 – June 2023 <i>CGPA: 77.5%</i>
Higher Secondary School Certificate (HSC) <i>Shri Rajendra Junior College, Nagpur</i>	February 2019 <i>Percentage: 66.46%</i>
Secondary School Certificate (SSC) <i>Shri Rajendra High School, Nagpur</i>	March 2017 <i>Percentage: 88%</i>

ADDITIONAL QUALIFICATIONS

Technical Certifications: Microsoft .NET Development, ASP.NET MVC, SQL Server Database Management

Languages: English (Fluent), Hindi (Native), Marathi (Native)

Soft Skills: Project Management, Client Communication, Problem Solving, Team Collaboration

Interests: Reading Technical Books, Playing Cricket, Continuous Learning
