Managed API functionalities, backend infrastructure, and frontend modules.	08/2023 – 11/2023 Sri Ganganagar, India

EDUCATION

Master of Computer Applications , <i>Lovely Professional University Online Education</i>	2024 – Present
Bachelor of Computer Applications , <i>DAV College Abohar</i> Percentage: 87.65%	2020 – 2023 Abohar, India
12th (Science) , <i>Govt. Girls school Jalalabad</i> Percentage: 86.22%	2019 – 2020 Jalalabad, India

PROJECTS

Alliance, *ERP Software*

Inventory & Sales Management for Electronic Goods Technologies: Web Forms, HTML/CSS/jQuery, SQL Server, SMTP

- Developed **sales order** and **purchase order** modules for streamlined electronic goods transactions.
- Automated **invoice generation & email delivery** via SMTP for efficient customer communication.
- Built **role-based dashboards** (admin/manager/staff) and optimized real-time **inventory tracking**.

MANN Electrotechnical, *Web App*

Service Showcase & Admin Portal for Electrical Business Technologies: .NET Core/MVC, HTML/CSS/jQuery, SQL Server, SMTP

- Created a **business showcase** for wiring, electrical connections, and solar panel services.
- Developed an **admin panel** for CRUD operations on estimates, invoices, quotations, and user queries.
- Integrated **SMTP for automated emails** (estimates/invoices) and dynamic UI with jQuery.

Eclumes, *Digital Art Gallery Platform*

Multimedia Platform for Photographer Portfolio Technologies: .NET Core/MVC, HTML/CSS/jQuery, SQL Server, SerpAPI

- Implemented **OTP auth**, **dual login (user/admin)**, and **role-based permissions** for gallery management.
- Enabled **Google Lens-like image search** via SerpAPI and **multi-project PDF generation**.
- Supported **drag-and-drop gallery organization** and CRUD operations for artworks/videos/GIFs.

Coin Branch, *Cryptocurrency Exchange Platform*

P2P Crypto Trading with Wallet Integration Technologies: .NET MVC, HTML/CSS/jQuery, SQL Server

- Built a **P2P crypto exchange** with **MetaMask & Trust Wallet** integration for secure transactions.
- Developed a **real-time dashboard** showing crypto prices, wallet balances, and transaction history.
- Launched a **referral program ("Refer & Earn")** to incentivize user growth and engagement.
