## ABOUT ME

Motivated and detail-oriented graduate seeking an opportunity to enhance technical and administrative skills in a professional environment. Strong foundation in web development, database management, and office administration.

## EDUCATION

**2020 - 2024**

RTMNU University

**Bachelor of Science (B.Sc.)**

Completed Bachelor of Science (BSc) with a focus on core science subjects. Gained a solid foundation in theoretical and practical aspects of scientific principles and methods.

**2023 - 2024**

Naresh IT

**Full Stack Dot.NET**

Trained as a .NET Full Stack Developer with hands-on experience in front-end (HTML, CSS, JavaScript) and back-end (C#, ASP.NET, SQL Server) technologies. Skilled in building responsive web applications and RESTful APIs.

## PROJECTS

**2023 - 2023**

Visual Studio Code

**Amazon Cloud**

Built a responsive web application using Tailwind CSS and hosted it locally on IIS Express. Integrated Amazon Cloud (AWS) services for storage and deployment testing in a self-hosted environment.

**2025 - 2025**

Visual Studio

**Registration page**

Developed a Web API project with a user registration page connected to a SQL database. Implemented CRUD operations to store and manage user data securely.

## TECHNICAL SKILLS

- HTML5, CSS, TAILWIND CSS
- C#
- MVC & MVC CORE
- WEB API & API CORE
