ABOUT ME

I'm a developer who loves to building things that look great and work smoothly. On the front end, I work with HTML, CSS, and JavaScript to create responsive, accessible user experiences. Behind the scenes, I'm comfortable with ASP.NET Core MVC and C#, and I've got solid experience managing data in SQL Server. I'm all about collaborating with teammates to turn ideas into rock-solid software that people enjoy using.

WORK EXPERIENCE

Jain Jain (deemed to-be university) – Bangalore , India

City: Bangalore | Country: India

UI/UX Designer Intern

[05/2024 – 08/2024]
