

Gaurav Khopade

Software Developer at Sanchi Solutions

+91 8554932830 | gauravkhopade0@gmail.com | <https://www.linkedin.com/in/gaurav-khopde-7879a2171>

Professional Summary

Full Stack Developer with 3 years of experience in developing web-based applications using C# .NET Core. Skilled in API integration, SQL query optimization, and applying SOLID and Repository design patterns. Familiar with Azure DevOps, quick to learn and focused on delivering high quality software and achieving project success.

Skills

Frontend: HTML, CSS, jQuery, Bootstrap, React.js, JavaScript

Backend: C#, C#.NET Core, Entity Framework, SQL, PostgreSQL

Tools: VSCode, Visual Studio, Git, Jira, Postman, Azure DevOps

Other Skills: API Development, RPA, CI/CD, Agile Methodology, managing sprint releases to staging and production

Experience

Software Developer

August 2022 - Present

Sanchi Solutions,

Pune, India

- Involved in different phases of SDLC including requirement analysis and architectural design phases of the project using Agile methodologies. Applied SOLID principles and Repository pattern to ensure maintainability.
- Basically, we built our application from scratch and followed Code First. So, I have involved in creating a new model for entities and write a mapping for these entities based on UML diagrams/Design architecture. Integrated third-party API Released builds to staging and production.
- Created Email notification service endpoint and also involved in designing the email HTML templates.
- Worked on distributed version control system/Subversion called GIT and comfortable with feature branches, rebasing, merging.
- Developed LINQ to SQL to get the data from Database and Inserting/Updating into the database.

Projects

BUSINESS INTELLIGENCE PROJECT

Retrieve property data from a third-party API in CSV format and store it in the database. Extract google and yelp reviews from property websites and generate an intelligence report for the end user.

Implement Robotic Process Automation (RPA) to pull property data daily and review it monthly using a scheduler.

ACADEMY MANAGEMENT SYSTEM

Developed admin/student dashboards with registration and login functionality. Integrated Razorpay for payments. The system enables efficient management of student role-based access for administrators and students to ensure secure and relevant access

Education

DBATU University, Maharashtra

Oct 2021

Bachelor of Technology in Electronics and Telecommunication

Certifications

- Problem Solving Through Programming in C
- Foundational C# with Microsoft
- SOLID Principles and Design Patterns
