

NIVRUTTI E. RAUT

E-mail : nivruttiraut998@gmail.com

Mobile : +91 8408979282

Experience Summary:

- **4.6 years** of experience as a Software developer working on .Net Platform for developing Web based applications.
- Proficient in developing web applications in Microsoft Visual Studio .Net IDE using **C#, .NET CORE, ASP.NET, ADO.NET, MVC and SQL Server, WEB API, JavaScript, jQuery, Bootstrap, AJAX**
- Extensive experience in SQL Server Database design using SQL Server 2022.
- Working experience on source control version like **TFS, GitHub** and project management tool like **Jira**.
- Excellent debugging skills able to debug complex technical issues involving multiple system components.
- Excellent team player having outstanding verbal and written communication skills.
- Exposure in **Object Oriented Design and concepts (OOPS)**.
- Good conceptual ability and skills in analysis and problem solving.
- Working experience in **Agile SDLC**.
- Working experience in **Azure portal** activities like Storage account , App services, Sql database.
- **Azure ADO** like (Sprint board, Pipelines, Repos, Test plans)
- Also worked on Playwright automation (UI & API).

Professional Experience:

- **Currently working with IXIA Solution Pvt Ltd.**
 - .NET Developer - Jan 2021 - Till date
 - Currently working on a large enterprise system that provides educational services.

Technical Skills:

- **Languages** : C#, JavaScript , SQL
- **Framework and Technologies** : .NET Core ,MVC ,ASP.NET 4.8, ADO.NET, Web API, HTML, CSS, jQuery, AJAX, LINQ, Entity Framework, Bootstrap.
- **Build Tools** : TFS , GitLab, Azure ADO.
- **Databases** : SQL Server 2019/22 .
- **Programming Environment** : Visual Studio 2022 and Older.
- **Other** : SOLID Principles, Design Patterns.

#Project 1 : Anthology StudentWeb (Web client)

Environment : C#, .NET Core V6.0, Angular 14.0, Entity Framework, SQL Server, LINQ, MVC, Web API also uses WCF service for third party services.

Also used **Azure ADO** like (Sprint board, Pipelines, Repos)

IDE & Tools : Visual Studio 2022, SQL Server 2022 , VS Code , Azure ADO to handle the sprint and pipeline activities **Azure ADO** like (Sprint board, Pipelines, Repos)

Description : Anthology Student Web is an education-focused web application designed to streamline and support academic and administrative operations for universities and colleges. It provides a wide range of services tailored for students, staff, employers, and applicants. Which has multiple modules like Academics, Class Scheduling Gradebook, Admission etc.

Key Highlight :

- Primarily focused on enhancing key functional areas and resolving high-severity issues. Possess strong product knowledge, which led to active involvement in sprint planning and requirement gathering sessions, along with hands-on experience in analyzing and addressing critical issues in both production and QA environments.
- Also worked on Playwright automation as part of our development practice. For every enhancement developed, developers were responsible for creating end-to-end automated test cases to validate the overall functionality and ensure quality. (**API and UI automation**)

#Project 2 : Anthology Portal

Environment : C#, ASP. Net 4.8, .NET Core, Entity Framework, ADO. Net, SQL, LINQ, JavaScript

IDE & Tools : Visual Studio 2019 and 2022, SQL Server 2022 and older, azure ADO to handle the sprint and pipeline activities like (Sprint board, Pipelines, Repos)

Description : Anthology Portal is also web-based educational platform

developed to streamline academic and administrative processes for universities and Campus. The portal supports multiple user roles including Students, Staff, Employers, and Applicants and each with dedicated access to specific features and operations.

Key Highlight

- :
- Contributed to the development and enhancement of core modules widely used by end users, such as Registration, Gradebook, Reports, Course Scheduling, and Attendance, ensuring functionality, usability, and performance.
 - Collaborated with QA and product teams to deliver scalable and user-friendly solutions aligned with educational standards.
 - Actively involved in sprint planning and requirement gathering sessions, with hands-on experience in analyzing and resolving high-severity issues in production and QA environments.

#Project 3 : Portal ConfigTool and Admin Console

Environment

: C#, ASP .NET 4.8, LINQ, Entity Framework, ASP.NET, SQL, XML.

IDE & Tools

: Visual Studio 2022 / older , SQL server.

Description

: Worked on two internal configuration-based applications designed to manage foundational settings and behaviors used across other enterprise-level systems. These tools centralized critical configurations such as user access (login/logout), UI customization, page-level settings, and session management. The applications played a key role in maintaining consistency, security, and scalability across multiple integrated platforms.

Roles &Responsibilities

- Participated in requirement gathering and estimation of story points for product enhancements..
- Worked on modules like MVC as well service modules.
- Part of sprint planning and daily scrum calls.
- Written stored procedures for different features.
- Designed and developed the user stories received from business.
- Optimization of code, peer review.
- Doing validations on the web forms.
- Understood business process architecture.
- Executing unit tests, result analysis, defect reporting, performance enhancement and fixing.
- Shared knowledge with new members of team regarding process and troubleshooting.

Education Details:

Degree	College	University/Board	Year	Percentage CGPA
B.E. (Computer Science & Engineering)	Dr. Sau. Kamaltai Gawai Institute of Engineering & Technology, Darapur, Amravati	Sant Gadge Baba Amravati University	2018	8.37 CGPA
H.S.C	Shri Gurudev Junior College, Gurukunj Ashram, Mozari, Tiosa	Maharashtra State Board	2014	56.77%
S.S.C	Shri Gurudev VidyaMandir, Gurukunj Ashram, Mozari, Tiosa	Maharashtra State Board	2012	60.20%

Personal Information:

Name : Nivrutti E. Raut

Gender : Male

Present Address : Ravikiran colony near Delhi Public School, Meghshish House TQ-
Amravati, Dist: Amravati
