SUMMARY

Computer Science and Engineering graduate with a solid understanding of C#, ASP.NET, SQL Server, HTML, CSS, and JavaScript. Completed an internship as a .NET Intern at eSankalp IT Solutions, where I worked on real-world web application projects using MVC architecture and CRUD operations. Strong grasp of object-oriented programming (OOP), database management, and software development lifecycle (SDLC). Fast learner with a passion for clean code, debugging, and building scalable applications. Seeking a challenging role as a Software Developer to contribute to innovative IT solutions.
