ABOUT ME:

I am-Motivated **.NET Full Stack Developer** with 6 months of internship experience in developing and deploying web applications using **ASP.NET, C#, SQL Server, JavaScript, HTML, and CSS**. Previously worked as a freelancer in research and content analytics, gaining strong problem-solving and analytical skills. Eager to apply technical knowledge, learn new technologies, and contribute effectively to a collaborative development team.

EDUCATION:

B.Sc. (Computer Science) – Gondwana University (2016)

HSC – Nagpur Board (2013)

SSC – Nagpur Board (2011)

SKILLS:

Programming Languages: C#

Web Technologies & Frameworks: **HTML | CSS | JavaScript | ASP.NET | .NET 8 | MVC Architecture | Web API**

Databases: **MS SQL Server | SQL Queries | CRUD Operations**

Tools & IDEs: **Visual Studio | VS Code | SSMS | GitHub | MS Office | Postman**

AI & Productivity Tools: **ChatGPT | Microsoft Copilot | AI-based research & automation tools**

Other Skills: **Object-Oriented Programming | AWS Solutions Architect (Associate, 2019) | Communication & Team Work**

EXPERIENCE:

- Full Stack Development Intern – Cloudfiofy (Mar 2025 – Sep 2025)
 - Utilized **ChatGPT and Microsoft Copilot** to speed up coding tasks, and improve documentation.
- Research Analyst – Cloudfiofy (Jun 2022 – Feb 2025)
- SEO Specialist – Cloudfiofy (Jan 2021 – May 2022)
- Freelance Data Entry & SEO Specialist – Self-Employed (Jun 2016 – Dec 2020)

PROJECTS:

User Management System (**Full-Stack Web Development Project**):

- Tech Stack: **ASP.NET Core MVC, HTML, CSS, JavaScript, MS SQL Server, Git.**
- Developed a web app for user registration, login, and data display.
- Built frontend with responsive design and implemented backend logic using **ASP.NET Core MVC**.
- Managed data using **CRUD operations** and **SQL queries** with validation and **Git version control**.
- Used **AI assistance (ChatGPT, Microsoft Copilot)** during development for debugging, optimization suggestions, and faster problem-solving.

CERTIFICATIONS & LEADERSHIP:

- AWS Solutions Architect – Associate (2019)
- Web designing & 2D animation with **Grade 'A+'**
- Diploma in **C Programming**
- Career Oriented Program in **Computer Application**
- Represented College in a seminar in **Physics** organized by **VUPTA**
- Got **2nd prize** in college level '**Science Quiz**'
