SUMMARY

I am a passionate and dedicated Java Developer with a strong foundation in Core Java, Spring MVC, and MySQL. My hands-on experience in developing responsive web applications is complemented by a solid academic background, as evidenced by my B. Tech studies with a CGPA of 7.53. I am eager to leverage my skills and knowledge in a dynamic technology environment.

SKILLS

Web Development: HTML, CSS, Core Java, Spring MVC, Spring Framework

Cloud Technologies: AWS, EC2, RDS, Cloud
