TECHNICAL SKILLS

- **Programming Languages:** C/C++, Java, Kotlin, Javascript, Python
- **Technologies/Frameworks:** HTML, XML, CSS, Tailwind CSS, React, Mongoose, Android Development
- **Database:** Mysql, Oracle, MongoDB
- **Cloud:** AWS
- **Developer Tools:** Android Studio, GitHub, Postman, Visual Studio

WORK EXPERIENCE

Remostart | Web Developer Intern (Remote)

Legos, Nigeria (July 2024 - Jan 2025)

- Trained in backend development by working on a real-world financial project.
- Handle the Database and created a responsive front-end using HTML, CSS, and JavaScript.
- Debugged and resolved issues to improve application performance.
- Collaborated with cross-functional teams to meet project requirements and deadlines.

PROJECTS

My Portfolio Website | React, Tailwind CSS, Nodejs

- Design and developed a personal portfolio website showcasing a collection of my projects, skills, and accomplishments.
- Implemented responsive design principles to ensure compatibility across various devices and screen sizes.
- Integrated a user-friendly interface with React.js and styled components using Tailwind CSS.
- Successfully hosted a personal website on Vercel using a custom domain (gunjandhoke.vercel.app).

WalletPay Website | TypeScript, MongoDB, Mongoose, Jwt

- Designed and implemented a wallet-based transaction system enabling seamless payments for registered users.
- Built a complete backend system using Node.js, Express.js, MongoDB, and Mongoose, featuring user authentication (login, signup, logout) and user account management (Update Profile).
- Designed and optimized a search functionality allowing users to find other WalletPay users by name.

Weather App | Android | Kotlin, XML, API

- Created an Android app that allows users to monitor real-time weather conditions in their city.
- Used the openweathermap.org API to experience the real time weather conditions parameters.

EDUCATION

G.H. Rasoni College of Engineering

B.Tech in Information Technology CGPA : 8.1

Nagpur, Maharashtra

2021 – 2025

Shri Mathuradas Mohota College of Science

Higher Secondary (Percentage - 81)

Nagpur, Maharashtra

2019 – 2021

ACHIEVEMENTS

- Solved **250+** DSA problems at Leetcode.
- Solved **450+** problems at coding ninjas platform.
- Qualified for the **Smart India Hackathon (SIH) 2023**, showcasing innovative problem-solving and teamwork skills.

CERTIFICATION

- Data Structures and Algorithm in C++ - [link](#)
- Introduction to C++ - [link](#)
