PROJECTS

- **Mahlabana Waste:** The Mahlabana Waste website is a responsive, multi-page WordPress site that highlights the company's waste management and recycling services. It features dedicated pages for hazardous, healthcare-risk, and general waste, along with hygiene solutions and recycling. With a clean design, service booking options, and compliance info, the site supports Mahlabana Waste's mission to deliver safe and sustainable waste solutions.www.mahlabanawaste.co.za

Status: completed

- **Arkelshoef – Dutch Farm & Guest-Experience Website (WordPress):** Developed a responsive WordPress website for Arkelshoef, a Dutch dairy farm and countryside guest-experience provider. The build included custom theme customization, page-builder based layouts, and optimized responsive styling. Implemented structured pages for heritage, dairy production, guest accommodations, and outdoor activities. Configured essential plugins, improved website performance, set up clean navigation, and ensured a professional, story-driven presentation aligned with the brand's rural and heritage identity.arkelshoef.nl

Status: Completed

- **Global Ritx Protection – Corporate Security Services Website (WordPress):** Built a dynamic WordPress website for Global Ritx Protection using custom theme customization, Elementor layouts, and responsive styling. Implemented service-specific pages, optimized website speed, configured security plugins, and ensured cross-device responsiveness. Focused on UX, clean typography, and a professional corporate look aligned with the security industry.www.globalritxprotection.com

Status: Completed

- **JB Sons Civil & Supply – Construction & Industrial Supply Company Website (WordPress):** Developed a WordPress website for JB Sons Civil & Supply to professionally showcase their civil construction and industrial supply services. Customized the theme for a layout, structured service pages for clarity, and optimized navigation for better user flow. Implemented essential plugins, improved mobile responsiveness, and enhanced performance to strengthen their digital presence and client engagement.jbson.co.za
