

Sheikh Kashif Javed

Dot Net Developer

PROFILE SUMMARY

With over 3.7 years of hands-on experience in Software Development, Application Development, and Software Design, I specialize in building robust solutions using DotNet Core Web API, ASP.Net Web Forms, MVC, SQL Server, Entity Framework, LINQ, and JavaScript. My core strengths include writing clean, efficient code and creating innovative, high-performance software that meets and exceeds client expectations. I am committed to continuous learning, and I thrive in dynamic, collaborative team environments where I can apply my technical expertise to deliver high-quality software products.
