

NIKHIL CHOUKIKAR

Dot Net Developer

39, Baba Farid Nagar, Nagpur • +91-8446619772 • nikhilchoukikar@gmail.com

SUMMARY

Experienced Engineering Executive with a track record of optimizing project outcomes over 2.7 years. Skilled in development, debugging, and team leadership across Banking and Pharma domains. Seeking a challenging executive role to leverage technical expertise and drive engineering excellence.

WORK EXPERIENCE Dot Net Developer,

OptByte Software & Solution Pvt. Ltd.

April 2025 - Present

Ordman Project

- Worked on the Ordman project and gained hands-on experience with **Asp.Net MVC development**.
 - Designed and implemented **RESTful APIs** to support business workflows, improving integration **efficiency by 40%**.
 - Implemented **multilingual UI caption functionality** enabling global usability across multiple regions.
 - Participated in **agile ceremonies (daily stand-ups, sprint planning, retrospectives)** to support continuous delivery.
-

Dot Net Developer, Varahi Technologies

Feb 2024- July 2024

Pharmaclick Project

- Optimized database performance by restructuring **SQL joins, reducing application loading time from 55 seconds to 8 seconds (~85% improvement)**.
- **Identified and resolved 60+ software defects through systematic debugging** and peer code reviews, improving system stability for pharmacy operations.
- Created and consumed **REST APIs using Visual Studio and Postman**, enabling secure data exchange using JSON and XML formats across modules.
- Collaborated with analysts, developers, and domain specialists throughout the **full SDLC — requirement gathering, development, testing, deployment and user support**.
- Delegated tasks to **junior team members during sprint cycles and monitored workload progress to ensure on-time delivery**.
- **Proven ability to optimize system performance (reduced loading time from 55 seconds to 8 seconds)**, mentor junior developers, collaborate with cross-functional teams, and deliver high-quality .NET and API-based solutions across **Banking, Fintech, and Pharma domains**.

DDMS Project

- Interacted with clients directly to understand business needs and convert them into technical specifications; contributed to **100% successful requirement delivery within timelines**.
- Modified critical data structures and application modules based on business feedback, increasing workflow speed and customer satisfaction.

- Developed and maintained web applications using **ASP.NET MVC** to support various banking operations, including account management, transaction processing, and customer relationship management.
 - Developed and optimized complex **SQL queries, stored procedures** to improve database efficiency and response time.
 - Participated in code reviews and conducted unit testing to identify and address software defects, ensuring the reliability and stability of the applications.
 - Worked with **Joins**(Inner Join,Outer Join,Left Join,Right Join).
 - Created **Crystal Reports** for **Banking Domain**.
-

Software Developer Internship, MKPITS

July 2021- Feb 2022

- Gained experience in languages like C#, Asp.Net MVC
 - Worked on Html, Css, Bootstrap.
 - Experience on Database like Ms-Sql.
-

TECHNICAL SKILLS

- C#
 - Asp.Net MVC
 - Ms-Sql
 - Javascript
 - Git, Github, GitHub Actions
 - Agile Methodologies
 - Scrum
-

PROJECT

Inventory Management System

- Designed and developed an Inventory Management System utilizing .NET MVC framework to facilitate efficient tracking and management of inventory, orders, and sales processes.
 - Created a robust architecture using ASP.NET MVC, ensuring scalability and maintainability of the application.
 - Developed CRUD operations for managing inventory items, orders, and customer transactions.
-

EDUCATION

June 2012- June 2018

Bachelor of Engineering in Mechanical Engineering S.B Jain

Institute of Technology, Management and Research

- Graduated with 66.66%.
 - Coordinator with A.I.M.E.S in college.
-

ADDITIONAL INFORMATION

- **Languages:** English, Hindi, Marathi.
 - **Certifications:** Computer Hardware and Networking Certification by NIELIT, Dot Net Certification
-
