WORK EXPERIENCE

Software Development Engineer I United Language Group (Propio Language Services)

04/2024 - 12/2025

Achievements/Tasks

- Modernized legacy applications by migrating them to **.NET Core 8.0**, improving **performance, security, and maintainability**.
- Developed **scalable full-stack applications** using **ASP.NET Core/MVC** and **React.js**, integrating **RESTful APIs** and **JWT-based authentication**.
- Designed and supported **microservices-oriented APIs**, enabling modular development and independent deployments.
- Improved application performance by **up to 30%** through **SQL query and stored procedure optimization**.
- Supported **CI/CD pipelines using Azure DevOps** and leveraged **GitHub Copilot** to enhance development speed and code quality.
- Actively participated in **Agile Scrum ceremonies**, collaborating with cross-functional teams to ensure timely delivery.

Associate Analyst Deloitte

12/2022 - 01/2024

Achievements/Tasks

- Optimized **SQL Server databases** by tuning **queries, indexing, and data models**, reducing storage costs by **15%** and improving data retrieval performance by **20%**.
- Developed **C#/.NET backend modules and APIs**, collaborating with cross-functional teams to improve **process efficiency by 25%** and enhance overall customer experience.
- Collaborated with **QA teams** to support test planning and validation across key business workflows, contributing to improved application stability and release quality.

EDUCATION

BSc Computer Science Changu kana Thakur college

07/2019 - 05/2022

CGPA: 9.47/10

SKILLS

.NET Core

ASP.Net

SQL

C#

React.Js

Javascript

Angular

Azure Devops

Jira

AWS Cloud

Azure Cloud Services

Node.js

CI/CD

Rest API

Copilot

Entity Framework

Git

MVC

PROFESSIONAL ACHIEVEMENTS

Achieved 40% performance improvement through modernization and migration to .NET Core 8.0.

Reduced deployment time by 50% by automating CI/CD pipelines using Azure DevOps.

Enhanced cross-team development efficiency by 30% by actively contributing within an Agile Scrum framework.

CERTIFICATIONS

AWS Certified Cloud Practitioner (CLF-C02)

Full Stack Web Developer - Garware Institute
