-

Work Experience

.NET Trainee – eSanakalp IT Solution, Nagpur

Jun 2022 – Jul 2023

1) Project: ERP Portal for a Trust

- Developed and implemented Module & Category management features with full CRUD operations and dynamic data listing.
- Designed and customized the UI, including layout, dashboard, sidebar, and billing format for improved usability and navigation.
- Built responsive front-end interfaces using HTML5, CSS3, Bootstrap, and jQuery, ensuring cross-browser compatibility and a user-friendly experience.
- Applied **ASP.NET MVC5 architecture** for structured development and **SQL Server** for efficient data storage, retrieval, and manipulation.

2) Project: Pro-Apple Unisex Salon

- Developed the Appointment Management module with complete CRUD functionality
 - Implemented the Invoice & Billing module, including invoice creation, custom billing format, and dynamic calculations.
 - Designed and built a responsive front-end interface using HTML5, CSS3, Bootstrap, and jQuery integrated with ASP.NET MVC5 for seamless workflow.
-

.NET Developer – Prodeskon Consulting, Nagpur
Project: Muditaa.com

Aug 2023 – Nov 2023

- Designed and developed a user-friendly booking interface for parents to schedule and manage school ride services for kids.
 - Built a secure login and authentication module to ensure safe and authorized access for users.
-

.NET Intern - Techquadra Software Solutions

Jun 2025 – Sep 2025

Project: User Registration and Product Management Web App

- Built a role-based authentication system using JWT tokens and Swagger UI authorization.
 - Implemented CRUD operations for Users and Products using stored procedures and Dapper ORM.
 - Designed a responsive UI with Bootstrap and client-side validation via jQuery.
 - Added secure image upload with unique filenames and audit trail fields for tracking changes.
 - Designed consistent API response format.
-

Education

- **Bachelor of Computer Science** – Sant Gadge Baba Amravati University
 - **HSC** – Tidke Junior College, Nagpur
 - **SSC** – Kale Ashirvad High School, Nagpur
-

Strengths

- Quick learner with problem-solving mindset.
- Strong debugging and practical implementation skills.
- Dedicated, hardworking and confident in new challenges.
